

## MISSION

The **Uniting Across Campuses** conference is a day-long program that will provide an opportunity for advising professionals throughout the Western New York higher education community to network and receive information on a variety of topics directly related to providing comprehensive advisement services for students.

## KEYNOTE ADDRESS

The Keynote Address is expected to offer the advising audience some broad, contextual insight to the basics of academic advising and the current state of academic affairs in higher education. WE are pleased to have Dr. Janet Ramsey ...from Buffalo State College join us this year. Her BIO here.....

## CONCURRENT SESSIONS

The Concurrent Sessions will offer a choice of round-table and panel discussions focusing on topics aimed at helping us to motivate ourselves as advisors, retain our students and provide better advising related services to our students.

We anticipate awarding a few door prizes to our conference attendees. In the past door prizes have included apparel or gift items with a university or program logo on it or gift certificates to local restaurants and retailers.
