Practicing Life

When in doubt... buffet it up

True Callings may not exist

Know Your Campus & Yourself

Understanding what resources are available to students is half the battle

Know your own limits and boundaries. Learning takes place when we stop showing and let them start doing

It is a life long process. Be genuine and present. Share your own/others journeys to normalize.

Best Practices

- NACADA
- NACE

And Remember...

- Inquire. Inform. Integrate.
- You are more than your major.
- One must be ready to embark on their journey\
- There is no "right" answer
